HOLY NAME CONVENT, POINT FORTIN

Build your first website.

AI Engineering Club is an 8-session series where you learn to design, code, and ship real projects using Cursor AI, starting with a portfolio site that's entirely yours.

```
...  
// what you'll leave with  
const project = {  
  name: "my-portfolio-site",  
  builtWith: "Cursor AI",  
  shippedBy: "you"  
};
```

The 8 sessions

- 01 Meet Cursor**
Set up your workspace and publish a first page
- 02 Structure with HTML**
Give your site real content and sections
- 03 Style with CSS**
Colour, type, and layout choices that feel like you
- 04 Design for every screen**
Responsive layouts that work on phone and laptop
- 05 Add interactivity**
Buttons, forms, and motion with JavaScript
- 06 Build faster with AI**
Prompting Cursor to write and fix code with you
- 07 Polish your brand**
Photos, project write-ups, and personal touches
- 08 Launch night**
Go live and show your site to the club
